

Nordfab Quick-Fit® Clamp-together Ducting

- **Easy & fast to install**

Just clamp together, no rivets, screws or welding needed. Installs in seconds with standard QF Clamp, cutting installation and downtime by more than 45%.

- **Ideal for dust, mist and fume collection**

- **Adaptable to your existing ductwork**

- **Laser welded seams on duct pipe**

- Solid welds eliminate leakage, increasing system efficiency and improving energy efficiency.
- Smooth, fully welded seams prevent leaks, snags, and possible “bug harbors”.

- **Easy clean**

Easy to remove, clean, and reinstall - without tools

- **Re-useable**

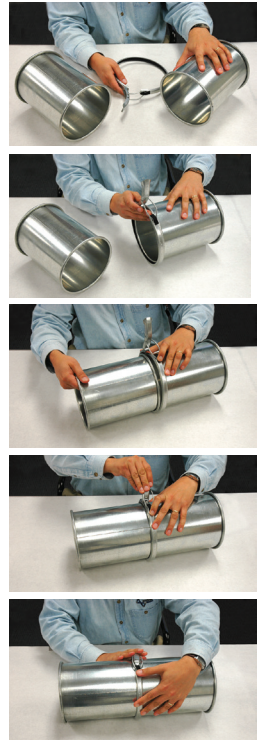

Easy to modify or relocate as your needs change

- **Galvanized, Stainless Steel, and aluminum**

Metal gauge options to suit your application, from standard gauge to heavy-duty 14 gauge

- **Nordfab provides:**

- Quick delivery — most orders can be delivered within 4 days
- Order tracking and lower freight costs
